

Oral History Interviews at the San Diego Reunion

Make plans to come to the San Diego Reunion in October and have your oral history interview done in the hotel while you are there. Your memories and the experiences that you had during the war are important pieces of history that must be preserved for the future. Your family deserves to have your memories preserved for future generations, and the 306th Bomb Group Association needs your memories to complete the history of the Group in World War II. All 306th veterans are encouraged to do an interview—air crews, ground crews, and personnel assigned to every 306th unit on Thurleigh. Your history is important!

Call or write to Dr. Vernon L. Williams, Group Historian, to sign up for an interview during the reunion. Do it today—don't wait.

Dr. Vernon L. Williams
